# What should our growth plan be?

How do we best build family?

## Pause for thought.....

Population of Ashington = 3,500 = 17 services each Sunday if everyone came

Population of Washington = 2,700 = 13 services each Sunday if everyone came

# What should our growth plan be?

**Multiply services:**  
9am/11am/1pm...  
Each service is a family

**Multiply venues:**  
Not just churches  
Each venue is family

**Equip potential new members to fuel their own churches:**  
Resource ourselves and others  
Healing/equipping/worship

How do we best build family?
