

Chanctonbury CHURCH

Thank you for participating in our online survey!

As this online survey must only be completed once, we recognise that more time may be needed to ponder and pray over the questions. Below are some of the questions which may require more time for you and your family to pray over and consider more carefully.

Imagine you were visiting the service you typically attend for the first time. How would you briefly describe it to others?

Please keep your comments as brief as possible as this will help us when we collate all the answers. There is a limit of 200 characters to this question.

What do you sense is on God's heart for this service to further flourish and grow?

Please keep your comments as brief as possible as this will help us when we collate all the answers. There is a limit of 200 characters to this question.

What, if anything, do you feel needs to change in order for further growth to happen?

Please keep your comments as brief as possible as this will help us when we collate all the answers. There is a limit of 200 characters to this question.

How do you sense God wishes you to serve the Kingdom and the church?

Please keep your comments as brief as possible as this will help us when we collate all the answers. There is a limit of 200 characters to this question.

What one area of church life needs our greatest focus and attention?

Please keep your comments as brief as possible as this will help us when we collate all the answers. There is a limit of 200 characters to this question.
