

Volunteer trustees for Ashington Community Centre Trust

Get involved in our community!

The Ashington Community Centre Trust (ACCT) is a registered charity that runs the Community Centre, a multi-sports court, the recreation ground, scout hut and the skate park on behalf of Ashington village.

We are looking for up to two volunteers to become Trustees.

Mentoring and training will be given, so lack of knowledge about trustee duties, is not an issue.

Trustees meet monthly for a couple of hours in the evening and have divided the trustees into small groups including finance, events, governance, engagement and IT.

ACCT helps groups in the village such as scouts, youth club, the lunch club and support them with governance issues and grants.

ACCT encourages all groups in the village to work together for the benefit of the village and have held one or two meetings to get this started and are now working well with many groups including the Parish Council.

If you have a heart to serve the local community in this way, you can find out more about the ACCT at <https://www.ashingtoncentre.co.uk/>
