

The Waterfall

One of the ways we can hear from God is by leaning back into the 'waterfall of His love'!

As a family, simply find a comfy spot, close your eyes and lean back, imagining you're leaning into a waterfall, getting drenched with God's love and His beautiful words being spoken over you. Spend as long as you need there, soaking in His presence.

What **truths** is the Father speaking over you today?

What **worldly lies** is He telling you to ignore?

Take time to tell your household what you hear.
