

# Gods Team Chant

Are you on God's Team? It is pretty great!

To help us remember we are part of His team, that He is the one we follow, we love with all our hearts, and that we listen too, why not write a GOD'S TEAM CHANT!!

You can write it together as a family, or individually!

# Heavenly Heart

Humility is making sure our heart is right. That it is full up with God, and that it belongs to God.

Create a heavenly, kingdom heart as a reminder that you are on God's Team. It's super easy to do!!

You will need:

- Cardboard,
- Tin foil,
- Scissors
- Sharpies

Instructions:

1. Draw a heart shape on cardboard and cut it out.
2. Cover your heart cut out in tin foil
3. On your tin foil covered heart, you are design and colour in any design you would like! Ask God what to draw, for any words to write on it, and what colours and shapes to use
