24th May 2020 – DAVID

Today's story is all about David, lets look at the time he had to follow Gods heart and fight Goliath.

David knew Gods heart and could see His plans, so David could walk into what everyone thought was a bad idea. David knew even though it looked a bad idea to others God would use him to win the battle!

Spotlight - How did David know Gods heart?

He was Gods friend and he loved to worship Him! As David worshipped Father God, he came close to Father God, Jesus and the Holy Spirit. He spent time with God, knowing Him and becoming full of His love.

Prayer/Activity Ideas

Worship Time: Can you spend some time with Father God today worshipping him? Maybe you love to dance and jump to him, maybe you like to lie on the floor and rest with him, maybe you like to sing and play music to him? Or maybe another way, whatever it is as you worship the Holy Spirit will reveal Father God close to you.

Explore together - What does that feel like? Maybe it makes you laugh, or makes you want to wrap up in a blanket as you feel safe and warm, or makes you want to hug everyone!

Heart Eyes: When we are Jesus' friend and are close to him, we can see things his way, not how others see things. We can see His plans just like David did.

Can you make a pair of heart glasses from the template. These are your Holy Spirit glasses to help you see how Jesus sees!
