Sunday 10th May – JOSEPH

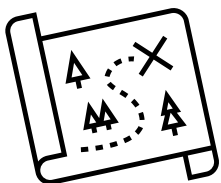

God is always good to us and gives us what we need!

Today we are looking at Joseph. Joseph's story had more ups and downs than a ride at a fairground or a bouncy castle! He has lots of good and happy days but also lots of bad and sad days. But God looks after him on every up and down, on every part of this journey. It doesn't matter where Joseph was, or what he was doing or who he was with, Father God cared for him and gave him everything that he needed. Joseph belonged to Father God and he knew that he could trust Father God. He is a good good Father.

Spotlight We can know that Father God is looking after us. He sees us and cares for us, giving us ALL that we need too. We can thank Father God that He gives us good and wonderful gifts every day.

"All good and perfect gifts are from our Father God" - James 1:17

Prayer/Activity Ideas

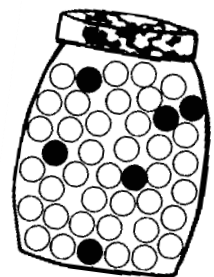

Thankful Treasure Hunt: Children could go around the house finding things they are thankful to God for; food, clothes, toys, books, pets, each other!

Jar Full of Thanks!: *(can be a follow on from Thankful Treasure Hunt)*

Grab an empty jar and some beads (or marbles or pasta pieces) and for everything the children can say thank you for, place a bead (or whatever you have) in the jar. Can you fill the jar??

Wow, what a lot we have to be thankful to God for, He has given us so many wonderful good gifts!

You can turn these into simple thank you prayers.

Rainbow Praise Wand - Find a stick, and any coloured paper, ribbons, string you might have at home. Attach the coloured paper (or substitute) to the stick, and you have a Rainbow Praise Wand!!

Have a fun time worshiping and dancing for Father God. You could even think of something to say "WOW thank you God" for each colour you have on your wand!
