

God is Faithful!

We have learned that God never lets us down - who else in our lives are faithful to us? Take a moment to write their names/draw a picture of them, how they've been faithful to you and a short prayer, thanking God for them.

Then, write a moment that God has not let you down in your life and write/say a prayer to Him, thanking Him for being a faithful God.

WHO?	HOW?	THANKS!
GOD
