

Banner of Peace

Individually or as a family make a banner of peace to put up in your home. This is to help you remember as a family that you, each other and your home is a household of peace!!

Ideas of where to put it could include:

- On your front door,
- On a door frame,
- Somewhere as you enter into the sitting room/kitchen/bedroom. Or anywhere else.
- On the back of your toilet door!
- On the fridge
- By where you keep your shoes
- On a mirror
- On the banister of the stairs
- On your bedroom door
- On your toy box

The list could be endless!!!!

You can do just one. Or you can do more than one!

Decorate with colours, stickers, bible verse, doves, prayer, your names – whatever you decide!!

Feel free to use the stencils for your lettering found on the next couple of pages. Or simply let your creativity loose and invent your own!
