

Spend Time in His Presence

You will have lots of different ways which work for your family to spend time in His Presence. This is one option to use on your own or as a family. Below is the word JOY – but it can also stand for Jesus, Others, You. Use this to focus your conversations with God as you spend time with Him.

Jesus (prayers to Jesus)

Others (prayers for Others)

You (what does He want to tell/show you)
