What the  
Father tells  
me

SUMMER 2019

Here are some helpful tips for you to draw closer to God as a family

### Practice

Find time to allow your kids to practice what they've learnt on Sundays during the week.

### Lollipop Prayers

Buy some lollipop sticks and on them write the name of people you want to pray for together as a family. Each night, encourage everyone to pick a lollipop stick each, and to say a pray for them, declaring God's love over them.

*Draw near to God and He will draw near to you*

JAMES 4:8

### Start the day right

At breakfast, spend time declaring kingdom truths over each other as you walk into a new day. Maybe perform a prophetic act of putting on the armour of God or crowning and robing your children in His righteousness before their day starts.

### Re-word your questions

Instead of 'what did you do at kids church?', try asking 'what was the most interesting thing from kids church?'

Instead of 'what did you learn?', try asking 'what did God tell or show you this morning?'

### Soak to worship before bed

Put on worship music, maybe light a tea-light candle and wait on God. Encourage your kids to talk to God about their day - if needed, use the thanks/sorry/please method. Maybe 'where did you see God today?'

### Say Hi!

Talk to Nick and Holly about what's going on at home so we can get to know your children better. We love hearing stories of answered prayers, healing, visions and questions!
